

TACA Atatürk School ACT/SAT Math Course Tentative Syllabus/Flyer (9/2010)

Objective:

To practice ACT/SAT math questions by taking in-class tests on ACT/SAT math subjects every week and going through solutions. The name of the game is “*practice, practice, practice and learn from our mistakes until we master*”.

Who can attend?

Any student who is planning to take ACT/SAT.

Fee:

No charge for TACA members.
\$100 for non- members.

Where:

TACA Building
3845 N. Harlem Ave.
Chicago, IL 60634

When:

Sundays, 10:00 AM -1:00 PM (Subject to change)
Kick off on **Sunday, September 5, 2010**

Required Textbook:

To be determined.

Communication:

Via email: taca.ataturk.okulu@gmail.com (Please write “ACT/SAT” in subject)

The students are expected to be punctual each week, bring necessary tools (pencil, eraser, calculator, notebook, etc.) with them, do assigned homework, and participate in class discussions. The course starts on **Sunday, September 5, 2010** and will last for 26 weeks or so, depending on the coverage of course materials.

The course will cover the following math topics:

- Arithmetic Skills and Concepts
- Algebraic Methods
- Word Problems
- Geometric Concepts and Reasoning
- Special Problem Types

*** TACA ACT/SAT Instructors are looking forward to meeting all interested students***
